Aircraft Location:

Left and right windshield area

Aircraft Mission Design Series:

C-130h

Special Features:

C-130 hercules airplane

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
