Material Thickness:

0.065 inches

End Application:

B-52 stratofortress aircraft

Aircraft Location:

Pylon stub

Aircraft Mission Design Series:

B-52

Special Features:

Duct-molded, stub pylon cooling air supply

Material:

Aluminum alloy 5052

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
