Overall Length:

49.860 inches

Overall Width:

11.800 inches

Material Thickness:

0.036 inches

Aircraft Location:

Duct extension-exhaust ecs fs712.310 to fs784.500

Aircraft Mission Design Series:

F-15s

Special Features:

Material: 6al-4v

Material:

Titanium alloy

Material Specification:

Mil-to9046 type 3 comp c anl military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800

Mil-std (military Standard):

spec.
