Aircraft Location:

Dorsal bay

Aircraft Mission Design Series:

F-16

Special Features:

Elbow; size; approx 10.480 in. L; includes -55 elbow assembly

Material:

Aluminum alloy

Material Specification:

Fms-3013-t6 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
