Tempurature Rating:

2200.0 degrees fahrenheit

Environmental Protection:

Fire resistant

Special Features:

Insulating cover, thermal blanket; made with nextel 312 per af-40, alumina-boria-silica fibers; barrier installation, fire, fuselage station 288; bl 8r, fus sta 306; p3 orion

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T230-b
