Tempurature Rating:

2200.0 degrees fahrenheit

Environmental Protection:

Fire resistant

Special Features:

Insulating boot, thermal blanket; made of nextel 312 per af-40; alumina-boria-silica fibers; barrier installation, fire, fuselage station 288; bl 42r, fus sta 310; p3 orion

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T230-b
