Aircraft Thermal Insulation Blanket - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/1660-01-469-7015>

Tempurature Rating:

2200.0 degrees fahrenheit

Environmental Protection:

Fire resistant

Special Features:

Insulating boot, thermal blanket; made with nextel 312 per af-40; alumina-boria-silica fibers; barrier installation, fire, fuslage station 288; bl 4l, fus sta 306; p3 orion

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T230-b
