**Tempurature Rating:**

2200.0 degrees fahrenheit

**Environmental Protection:**

Fire resistant

**Special Features:**

Cover, hydraulic lines, fire barrier; made with nextel 312 per af-40, alumina-boria-silica fibers; barrier installation, fire, fuselage station 288; p3 orion

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T230-b
