Tempurature Rating:

2200.0 degrees fahrenheit

Environmental Protection:

Fire resistant

Special Features:

Made from nextel 312 per af-40, 3m spec: alumina-boria-silica fibers; mfr's name: insulating boot, thermal blanket; barrier installation, fire, fuselage station 288; p3 orion

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T230-b
