Overall Length:

3.750 inches

Overall Width:

3.750 inches

Material Thickness:

0.060 inches

End Application:

Ac-130h/u

Product Name:

Mids/lvt duct assembly

Aircraft Location:

Duct assembly

Aircraft Mission Design Series:

Kc-130 h/u

Special Features:

Nha 004403

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
