End Application:

Accommodates combined canopies (type/size)

Size Designation:

Adjustable

Product Name:

Container harness assembly csar- (i) parachute

Special Features:

Skyhook configuration; military cypress ready

Material:

Plastic polyamide

Specification Data:

A54g-cps-jc101-j4.5k and cps-jh101-adj and cps-jh-047 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T101-d
