

View Online at <https://aerobasegroup.com/nsn/1680-00-004-9700>

Special Features:

Control, ejection seat

Material:

Aluminum alloy

Material Specification:

Qq-a-250/6, alloy 5083, t4 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
