**End Application:**

C-5a/b acft

**Design Type:**

Linear

**Criticality Code Justification:**

Feat

**Product Name:**

Manufacturers suggested name - actuator assembly, leading edge slat

**Special Features:**

Flap/slat actuation critical to safe operation of acft

**Reference Number Differentiating Characteristics:**

As differentiated by lockheed source control dwg no. 4c95009-155c

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A524x0
