End Application:

C-5a/b acft

Design Type:

Linear

Criticality Code Justification:

Feat

Product Name:

Manufacturers suggested name - actuator assembly, leading edge slat

Special Features:

Flap/slat actuation critical to safe operation of acft

Reference Number Differentiating Characteristics:

As differentiated by lockheed source control dwg no. 4c95009-155c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A524x0
