Specific Usage Design:

Actuator, electro-mechanical, nsn 1680011051461

Special Features:

Select proper combination of coiled springs to achieve torque setting of 110.0 in. Lb to 125.0 in. Lb, install pins flush w/ od, use locking compound mil-s-22473, grade c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511s0
