General Description:

Dimensioning and tolerancing per andi y14.5; finish with no. 11a, per epb4-230; fluorescent penetrant inspect per hp6-13; material al alloy bar 0.375 diameter x 1.250 lg

Specification Data:

02731-7-311514087 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
