General Description:

Dimensioning and tolerancing per ansi y14.5; fluorescent penetrant inspect per hp6-13; material make support from 7-311521046-30 cstg; investment casting al alloy a356-t6

Specification Data:

02731-7-311521046 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
