Overall Height:

2.984 inches

Overall Width:

4.240 inches

Material Thickness:

0.063 inches

Functional Description:

Blank, console panel assembly

Material:

Aluminum alloy 5052

Material Specification:

9-381a0 mfr ref single material response

Style Designator:

Blank, plain design

Supplementary Features:

Made from mcdonnell p/n 9m381a0 nsn 1680-01-090-4772 panel, blank

Type/model Designation:

F-4e/gy/

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A05500
