End Application:

Fy88 tanker

Aircraft Location:

Main instrument panel

Special Features:

Also has 9 light assemblies p/n 695180-3 and 1 light assembly p/n 695898-1; paint 2 coats color black 37038 per federal standard 595

Material:

Glass fiber

Material Specification:

Mil-f-9084 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

Mil-f-9084 spec.
