**Width:**

0.625 inches

**End Application:**

C-17a aircraft

**Special Features:**

Bolt hole quantity type 3; bolt hole shape round

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/24 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A524a0
