

View Online at <https://aerobasegroup.com/nsn/1680-01-380-9634>

Special Features:

Accepts components .400 x .100; accepts up to 24 leads; adapts lsi 14 and 16 pin ic patterns on .300 x .200 x.300; horizontal format; 8 milliohms maximum bulk resistance; 4 picofarads maximum capacitance; 500v; -50 to 125 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
