End Application:

C-130h aircraft

Aircraft Location:

Flap control

Aircraft Mission Design Series:

C-130h

Special Features:

Quadrant assembly-flap control; consisting of nameplate; cable assembly; lever assembly; shaft; knob; latch; switch; pulley assembly; spring; plunger; actuators; support assembly; bushings

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529v0
