Width:

1.930 inches

End Application:

F-15s aircraft

Product Name:

Manufacturers suggested name - arm, pivot, gun access door, cft

Special Features:

Bolt hole shape - round; bolt hole size - 0.1635 in.

Material:

Aluminum alloy

Material Specification:

Qq-a-225/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524a0
