End Application:

F-15 aircraft

Product Name:

Manufacturers suggested name - support bellcrank lateral, f.S. 322.000

Special Features:

Bolt hole quantity - 8; bolt hole shape - round; bolt hole size - 4 @ 0.1635 in. And 4 @ 0.250

Material:

Aluminum alloy

Material Specification:

Qq-a-225/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524a0
