**End Application:**

F-15 aircraft

**Product Name:**

Manufacturers suggested name - support bellcrank lateral, f.S. 322.000

**Special Features:**

Bolt hole quantity - 8; bolt hole shape - round; bolt hole size - 4 @ 0.1635 in. And 4 @ 0.250

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-225/9 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A524a0
