End Application:

F-15i

Product Name:

Manufacturer suggested name - arm, pivot - gun access door, cft

Special Features:

Bolt hole quantity-6; bolt hole shape - round; bolt hole size - 1.635 in.; nha p/n 68a250233

Material:

Aluminum alloy

Material Specification:

Qq-a-225/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524a0
