Overall Length:

4.750 inches

Overall Height:

3.700 inches

Overall Thickness:

0.062 inches

End Application:

Panel, indicator

Mounting Configuration:

Four0.18604pl

Indicator Type:

Any acceptable

Panel Material:

Aluminum

Special Markings:

Part marking vibrapeen part number and rubber stamp in approximate location shown per ss8798

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T122-b
