End Application:

A-10a aircraft

Product Name:

Crank assembly, cable ws 30.62 roll control

Special Features:

Made from 160d622110f-11 forging or alternate material al bar 7075-t 73511, qq-a-200/11; includes 2 bearings, 1 spacer; left hand side

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
