End Application:

C-17 acft

Shaft Securing Method:

Spline

Special Features:

Manufacturer suggested name: crank, upper, lock actuation-ads; nha - 17n2g0294

Material:

Titanium

Material Specification:

Dms2242, ti-6al-4v mfr ref single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
