Material Thickness:

0.125 inches

End Application:

CI-604

Aircraft Location:

Cockpit panel

Aircraft Mission Design Series:

CI604

Special Features:

Height 2.25 in; non-illuminated; gray; circular and filtered connector

Functional Description:

Provides means for activating the test function

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529v0
