Overall Length:

20.969 inches

Overall Width:

19.000 inches

Material Thickness:

0.625 inches

End Application:

Jet engine

Product Name:

Inavy-panel, top, louvered

Aircraft Location:

Jet engine

Aircraft Mission Design Series:

T/53

Special Features:

Louvered; previous part number pn-21lv; slect color when ordering

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A529v0
