Width:

1.220 inches

Overall Length:

8.050 inches

Thickness:

0.050 inches

End Application:

P53 harrier aircraft

Friction Lining Material:

Plastic, polyamide nylon

Lining Style:

Rectangular block plain

Product Name:

Rubbing strip

Special Features:

Shelf equipment - nose barrel, grmk5 night attack

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A230a0
