Overall Length:

2.600 inches

Overall Diameter:

Between 2.613 inches and 2.615 inches

End Application:

Reception coupling

Product Name:

Inavy-poppet valve, regulator

Special Features:

Alt material aluminum alloy casting per astm a356-16; iaw mil-std-2175 class 3 grade c; next assembly 211920 used on 211844-3

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
