Maximum Operating Temp:

180.0 degrees celsius

Physical Form:

Tube

Basic Ingredient:

Synthetic base and gelling agent

Minimum Dropping Point:

232.0 degrees celsius

Effective Temperature Range Rating:

-54.0 to 177.0 degrees celsius

Product Name:

Aeroshell grease 22

Special Features:

Mil-prf-81322g; color-tan

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Mil-std (military Standard):

Mil-prf-81322g spec.
