Overall Length:

6.47 inches

End Application:

Aa49e-27 h60s

Product Name:

Lifting bar adapter

Special Features:

Used on a/a49e; next higher assembly 3392as1576; material 17-4ph stainless steel (uns 17400). Post machine hardened to h900 condition (40min hrc)

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
