End Application:

C-27j spartan

Product Name:

Control panel, detecting set

Special Features:

Unit modified by dwg 33350-48100; used on equipment installation cockpit, tech data is from the illustrated parts catalog, figure 16 and index 25.

Supplementary Features:

Australian air publication 7211.045-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
