**End Application:**

C-27j spartan

**Product Name:**

Control panel, detecting set

**Special Features:**

Unit modified by dwg 33350-48100; used on equipment installation cockpit, tech data is from the illustrated parts catalog, figure 16 and index 25.

**Supplementary Features:**

Australian air publication 7211.045-4

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T122-b
