General Description:

Single woven nylon warp and filling, 70, 000 lb breaking strength in warp direction, 24.5 oz wt per linear yd 7.0 in. Wide, 1425 ft long, black, abrasion resistance treated, mil-t-81521

Specification Data:

81349-mil-t-81521 government specification

Fsc Application Data:

Aircraft gear arresting, land based, model bak-9/f48a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
