Overall Length:

8.800 inches

Overall Height:

0.500 inches

Overall Width:

5.100 inches

Special Features:

Used on code effectivity is f/a-18e/f aircraft 1 and up

General Description:

4340 steel; right cadmium plating type i, class 3 per qq-p-416

Specification Data:

II-s8512d/guidanceonly/ manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
