Overall Length:

37.500 inches

Overall Height:

11.000 inches

Overall Width:

29.250 inches

End Application:

Kc-130 j series aircraft

Accessory Components And Quantity:

Socket head bolt 2; hex head bolt 2; nut 8

Criticality Code Justification:

Agav

Product Name:

Inavy) adapter, qec dolly

Special Features:

Used to install the kc-130j engine to the adapter on the qec

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
