Overall Length:

4.000 inches

Overall Width:

0.500 inches

Warning Streamer:

Included

Product Name:

Lock assembly, hydraulic system aircraft ground safety

Special Features:

Anodized aluminum with warning streamer

Reference Data And Literature:

To 1f-15a-4-6

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T244-b
