**Overall Length:**

2.500 inches

**Overall Height:**

1.400 inches

**Overall Width:**

2.250 inches

**Attachment Method:**

Bolted

**Usage Design:**

Aircraft mooring

**Material:**

Steel, ams 5355

**Material:**

Steel comp 630

**Material Specification:**

Ams 5355 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A30600
