Design Type:

Self-contained

Movement Type:

Mobile

Base Shape:

I

Rated Vertical Capacity:

65.0 tons

Hydraulic Lifting Distance:

24.000 inches

Extended Height:

36.000 inches

Retracted Height:

28.500 inches

Special Features:

Manual, hydraulic control; tubular steel construction

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T244-d
