**End Application:**

C-130b aircraft

**Safe Operating Load Rating:**

1125.000 pounds

**Support Material:**

Steel

**Specific Usage Design:**

Cargo ramp

**Design Type:**

Hoist

**Operation Method:**

Manual

**Lifting Mechanism:**

Included

**Support Assembly Method:**

Welded

**Support Material Cross-sectional Shape:**

Round

**Support Construction:**

Rigid

**Support Height Adjustability:**

Nonadjustable

**Sling:**

Included

**Hoisting Adapter:**

Not included

**Reference Data And Literature:**

T.O. 35d5-3-5-1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T244-c
