Overall Height:

1.750 inches

Attachment Method:

Plain shank

Overall Diameter:

2.062 inches

Special Features:

0.750 in. Spherical radius cup seat

Material:

Steel, sae 1020

Material:

Steel comp 1020

Material Specification:

Sae 1020 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30600
