Base Shape:

Tee

Rated Vertical Capacity:

50.0 tons

Hydraulic Lifting Distance:

22.000 inches

Extended Height:

41.000 inches

Screw Extension:

Included

Wheel Removal Crane:

Not included

Retracted Height:

14.000 inches

Special Features:

Designed for use on dual wheel acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T244-d
