Ground Handling Equipment Adapter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1730-01-246-9910

Overall Diameter:
8.000 inches
Functional Description:
Used on accelerator installation which provides hydrostatic pressure to return hydrostatic mechanism to neutral and prevent creeping of
bomblift
Fsc Application Data:
1730-01-004-6550
Shelf Life:
N/a
Unit Of Measure:

Yes - demil/mli

Demilitarization:

Fiig:

A30600
