End Application:

Ac-130u gunship age.

Safe Operating Load Rating:

200.0 pounds

Design Type:

Hoist

Operation Method:

Manual

Lifting Mechanism:

Included

Support Height Adjustability:

Adjustable

Sling:

Not included

Hoisting Adapter:

Not included

Special Features:

Crane can be disassembled, rotatiting boom locked by friction collar

Reference Data And Literature:

Serd no. 0109

Fsc Application Data:

Vertical stablizer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T244-c
