Overall Length:

240.000 inches

Overall Height:

84.000 inches

Overall Width:

60.000 inches

Attachment Method:

Hole

Usage Design:

Aileron

Functional Description:

Used to support/locate aileron/major components during repair

Material:

Steel

Material:

Steel

Fsc Application Data:

C-17 aircraft age.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30600
