**Fabrication Method:**

Bolted

**Overall Length:**

156.000 inches

**Overall Height:**

48.000 inches

**Overall Width:**

156.000 inches

**End Application:**

C-17 aircraft age.

**Transport Method:**

Attachment for truck

**Special Features:**

Supports tail cone when off aircraft during base transportation and shop maintenance; uses retention straps

**Material:**

Wood

**Material:**

Wood

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T244-j
